Mark & Becki Lounsborough

Mark was born in Toledo, Ohio and saved at age 14. He studied at Faith Baptist Bible College, where he met his wife Becki, and completed a Bachelor's and Master of Arts in Pastoral Studies. After completing his M.Div. at Northwest Baptist Seminary in Tacoma, Washington, they arrived on the field of Brazil in 1989, serving under Baptist Mid-Missions. Their ministry included working in a Bible school and planting a church.

In 2008 God led them back to the States, and Mark is in his tenth year as chair of the Missions Department at Faith Baptist Bible College in Ankeny, Iowa. The Lounsboroughs have four children and one grandson (and another due in August). Becki serves as Mark's administrative assistant.

## URUGUAY

Paul & Jo Anna Harmon

Paul was born into a pastor's home and was saved at the age of nine. His family moved to Minneapolis so Paul's sister Joy could get cancer treatment at the U of M hospital. God used her illness and death to move Paul's parents to become missionaries in the Netherlands. After finishing high school in Holland, Paul attended Northland Baptist Bible College and graduated in 1998. He graduated from Central Seminary in 2002, married Jo Anna the following year, and they have served in Uruguay under Baptist World Mission since April, 2008.

Jo Anna was born in Montevideo, Uruguay to missionary parents, Roy and Karen Kuhns. Jo Anna was led to Christ by her mother at an early age. She graduated from Northland Baptist Bible College in 1999 and from Central Seminary in 2001 with a Masters in Biblical Counseling. Paul and Jo Anna have two daughters, Felicia and Sofia, and are our supported missionaries to Uruguay.
