Please be in the nursery ready to serve **15 minutes** before the service begins. If you are unable to serve at your scheduled time, please trade with someone. Please contact the checker with any changes. Thank you!

**Since our numbers in the infant room will most likely be low over the summer, we have decided to have one infant nursery caregiver "on call". If you are scheduled in the infant room on a Sunday morning, please come check in at 10:15 as usual. If there are no infants by 10:45, you will be free to go. If there is one infant, you will be one on one with that infant with the children and caregivers in the one year old room. If there are two or more infants, the infant room will be opened and another caregiver will serve with you. Thank you for your flexibility!*
