Electives

Finances God's Way:

Get ready to have your life, your finances, and your relationship with the Lord taken to another level. Through these six chapters, you'll learn what the God of the universe has to say about money and possessions, how you can practically apply these words to your life, and how you can grow in leaps and bounds on your financial discipleship journey. You'll learn what God says about: earning, spending, giving, getting out of debt, investing, teaching children, dealing with challenges, eternal perspective, experiencing contentment, and finishing well.

Couples are encouraged to join if possible.
