

FALL 2024

September 4 — December 4

Wednesdays • 7:00pm

**\*Personal Evangelism | Mr. Bob Allen**

This class will approach evangelism from a theocentric point of view, providing examples of Biblical evangelism, practical advice on writing a personal testimony, a discussion of personality types in evangelism, methods including the use of technology, dealing with skeptics, and cross-cultural witnessing. It will also discuss the need for prayer and the work of the Holy Spirit, how community plays a part in evangelistic effort, and the importance of long-term commitment to evangelism.

***Instruments in the Redeemer's Hands* video series + discussion**

**Pastor Jeremy Stephens**

Weekly video from Paul David Tripp and Tim Lane's *Instruments in the Redeemer's Hands* seminar, followed by group discussion about how God uses believers to help each other grow in sanctification. We might be relieved if God placed our sanctification only in the hands of trained professionals, but that is not His plan. Instead, through the ministry of every part of the body, the whole church will mature in Christ.

**\*Introduction to Christian Worldview | Pastor Jared Page**

We will define "worldview" and examine six major worldviews prevalent today, while promoting and defending the Christian worldview. We will examine major topics such as bioethics, Critical Theory, the problem of evil, and abortion. The goal is to more thoroughly equip believers to engage in thoughtful evangelistic discussions with unbelievers, and to disciple and build up one another.

**\*Marriage video series + discussion | Pastor Matt Morrell**

Weekly video from Paul Tripp's *What Did You Expect: Redeeming the Realities of Marriage*, followed by group discussion. Somehow, every marriage becomes a struggle and morphs into something unintended, showing the need for something sturdier than romance, something deeper than shared interests and mutual attraction. We need changed expectations, radical commitments, and, most importantly, grace.

\* core/repeated Equip class
