Bible Interpretation

What does the Bible say? What does the Bible mean by what it says? What difference does the meaning of the biblical text make in my life? This course on biblical interpretation does NOT answer these questions; rather it provides you with tools for finding the answers for yourself. YOU should be able to read the Bible, grasp what it says, determine what it means by what it says, and discern what difference its teachings should make in your life. This course provides you with basic tools for doing that; it also helps you develop skill in using those tools.

MISSION STATEMENT

The mission of Twin Cities Bible Institute is found in Ephesians 4:7-16 which states in part, "To some churches He gave apostles, prophets, evangelists, pastors, and teachers, for the equipping of the saints, for the work of ministry, for edifying the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ."
