Feasts of Israel

This class will demonstrate that the seven biblical holidays and feasts of Israel are a pattern of shadows fulfilled in the Messiah. A shadow has no reality in itself, but points to a reality. In the case of the biblical holidays and feasts of Israel, that reality is God's plan of redemption that culminated in the Messiah, Jesus Christ!

The final week of the class will include a full Passover Seder Meal demonstration and class participation with guest Pastor Aaron Brattan, who lived and served in Israel with the International Board of Jewish Missions.
